

CREDIT CARD AUTHORIZATION FORM

We appreciate your interest in our Credit Card payment option. Below is an enrollment application for the program. Credit Card is an easy alternative to writing a check each month. **However, you still need to read your meter and may call the reading into the office, 660 744-5344 or on our toll free number 888 744-5366.**

Here is how it works:

1. Each month, you receive advance notice by mail of the dollar amount of the payment to be deducted.
2. Each month, payment of your bill is automatically paid by your credit card.
3. Each month, you phone in your meter reading, and rest assured your bill is paid.

You may discontinue the Credit Card service via written notification at any time.

Enroll the Credit Card payment plan by mailing the completed form below.
